Sir:

I, Yarom Cohen, declare the following:

1. I am the inventor of the subject matter claimed in U.S. Appl. No. 09/254,600
2. I conceived of the claimed subject matter prior to June 12, 1996 in a WTO member country, and was diligent in reducing the subject matter to practice until the filing of Israeli Patent Application Nos. 119250 and 114903 (a copy of each is on file with WIPO in connection with PCT Application No. PCT/IL97/003011), as evidenced by the document(s) attached hereto
3. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the this application or of any reissue patent to issue thereon
